

BY LAWS
OF THE INTERCOLLEGIATE BROADCASTING SYSTEM
(passed at the Third Annual Convention, December 30, 1941)

GENERAL RESOLUTION

The member stations of the Intercollegiate Broadcasting System solemnly reaffirm their complete support of the national united war effort, and pledge themselves to untiringly continue their work in radio towards the cause of complete national unity, especially among the colleges of the United States, and international unity among the allies.

BY-LAWS TO THE CONSTITUTION

I.

The Chairman of the Executive Committee will preside at all the meetings of the Governing Board except during an election of the members of the Executive Committee.

II.

At each annual meeting of the Governing Board, immediately following the election of the Executive Committee, a Nominating Committee composed of three member colleges will be elected by the Governing Board.

This Committee will present at the next Annual Convention, a slate of candidates for the positions on the Executive Committee.

If at any time during the year it is necessary to elect a member or members of the Executive Committee the Nominating Committee will prepare the nominations for the position and submit them to the Executive Committee to be voted on by the member colleges.

A college cannot serve on the Nominating Committee for two successive years.

III.

For the election of the Executive Committee held at each Annual Convention the following should be the procedure of the Governing Board.

- 1) Nominations for the temporary chairman shall be solicited from the floor.
- 2) The election of the temporary chairman shall immediately follow.
- 3) Nominations of candidates for the Executive Committee shall be presented by the Nominating Committee.
- 4) Further nominations will be solicited from the floor.

- 5) The vote will be taken, as specified by the Constitution and the first amendment.
- 6) The Nominating Committee for the following year will be elected by the Governing Board.
- 7) The meeting will be returned to the regular Chairman.

IV.

Any number of colleges attending an Annual Convention of the IBS called in accordance with the By Laws of the Constitution of the IBS may hold a Governing Board meeting and act on all matters pertaining to the IBS.

However, if on any action taken in this meeting a simple majority of the total number of IBS active member stations is not obtained, then a vote from the member colleges not attending the Convention must be solicited to decide the matter.

A complete report of the discussion pertaining to this point must be submitted to the colleges not attending within twelve days after the Governing Board meeting, and votes on the subject or subjects of controversy must be solicited from the colleges.

Balloting will be in accordance with the By Law below, (No. V.)

In the final count to decide the issue a simple majority of all ballots returned plus votes taken at the Governing Board meeting shall decide the issue.

V.

When votes pertaining to business of the Governing Board are cast by mail, all ballots must be returned within four weeks during which college is in session of the time they are sent by the Executive Committee or they will be declared invalid.

Ballots sent out should clearly state the date at which they are due to be returned.

A reprint of the Constitution By Laws pertaining to voting of the Governing Board should accompany every ballot sent through the mails.

VI.

Resolved that any ballots pertaining to appropriations made by the IBS Business Board and any other IBS financial matters must be returned within two weeks (during which schools are in session) from the time they are sent. If not received within that period approval is assumed.

In other respects these ballots shall be as specified in By Law V.

VII.

Legality of operation.

1) Trial member stations cannot be granted Class A, B or C status in the IBS until they have satisfied the Technical Department that their station is operating in accordance with rule 2.102 of the Rules and Regulations of the Federal Communications Commission.

2) If at any time following the granting of active status to any college its operation is found to violate the above rule of the Federal Communications Commission the Technical Department may make recommendations to the Executive Committee which in turn will take any action which it deems necessary in each instance to insure that the stations rectifies the illegal condition immediately.

VIII.

Before a college station can be granted Class A membership in the IBS it must meet certain minimum standards of equipment, these standards to have been decided upon by the Technical Panel held during each Annual Convention.

These standards should be set up to insure that college audiences are able to receive radio signals from their college station which compare favorably with commercial broadcast stations.

If at any time a college station already granted Class A status should depart from these standards the Technical Manager may recommend to the Executive Committee that this station be no longer eligible for nationally sponsored programs and will be temporarily suspended from Class A membership until the situation is rectified.

IX.

The IBS Business Board is authorized to compensate as it sees fit any authorized member of an IBS station for the securing of a national contract for the IBS.

X.

Resolved that the IBSR Representative shall submit monthly reports on progress in advertising solicitation and that colleges reply with suggestions and reports to IBSR on the colleges' activities in both local and national advertising.

XI.

Be it resolved that all member stations of the IBS use some form of Intercollegiate Broadcasting System identification at least once over hour during the time they are broadcasting.

Be it also resolved that no local college network identification be included at the end of an exchange program.
